

# STATEMENT

We,

the undersigned duly elected representatives of communities situated in and in the immediate vicinity of the Landscape for Breeding and Training of Ceremonial Carriage Horses of the Kladruber breed

- State that this landscape is a heritage shared with our fellow citizens as the generations of our ancestors formed and shaped it to its present beauty through breeding and training Kladruber horses, working in forests, pastures and meadows;
- State that we are proud of the outstanding universal value of the landscape in which the Kladruber horses are bred and trained as well as of its unique value and we wish this heritage to be preserved for our children and friends and for children of our children and all good people;
- State that we have been informed by the Manager of the landscape, the National Stud Farm at Kladruby nad Labem, of their intention to propose the landscape for inscription in the World Heritage List and, in this respect, a dialogue has been established between us and the Manager and we both strongly believe it will continue and flourish.

We declare of our own free will that we welcome and support the nomination of the Landscape for Breeding and Training of Ceremonial Carriage Horses at Kladruby nad Labem for inscription in the World Heritage List administered by UNESCO.

As the expression of our free will we add our signatures
